

Advisory against Fake Visa Websites

It has been brought to the notice of the Mission that a number of fake visa websites are operating on the internet, claiming to provide e-Tourist Visa services to visa applicants desiring to travel to India. In recent months, there have been an increasing number of complaints relating to frauds perpetrated by these websites. In order to mislead applicants, some of these websites have created images and home pages templates mimicking the Government of India websites for e-Tourist Visa applicants. A few prominent ones out of these are listed below:

- i) e-touristvisaindia.com
- ii) Indianvisaonline.org.in
- iii) e-visaindia.com

The correct website is indianvisaonline.gov.in

Embassy of India in Spain would advise the applicants to not deal with other websites that do not belong to Government of India and therefore should not be relied on for e-Tourist Visa services.
